Tom, This call is for FERC/FERC contractor to walk us (EPA) through FERC's proposed responses to EPA's DEIS comments, and how and where this information/responses are presented in the Administrative Final EIS (AFEIS). Hopefully you can get a feel and if possible let FERC know if you (R3) are not happy with their proposed responses/info. in the AFEIS for those comments R3 provided for EPA's DEIS comment letter.

Thanks, Virginia

I'll be on the call. I don't know if I'll be able to stay the entire time but I will do my best.

As far as I remember, we are good with EPA's comments.

Thank you for keeping us in the loop.

Tom

Please advise. Thank you. Virginia

This 11:00 time conflicts with another meeting on my schedule; could we reschedule to another time today? I just spoke to Virginia and she's not available from 2-4 eastern; I could do any other times today, so maybe sometime from 12-2 or after 4 eastern time?
